INTRODUCTION

Centropen Stationers Limited was established in 2018 and has since grown to an established leading stationery store, and the best choice for office and school stationery. We are profound distributors of world known brands supplying great quality products to organizations and leading schools. We provide our customers, both corporate organisations and individuals, a wide choice of products and brands in order to help offices run smoothly and function effectively.

Dependability, active partnership with our customers, unparalleled and impressive product quality and timely delivery are principles on which our ideas and actions are based.

We offer efficient delivery because we understand the fast-paced nature of business. Our brand range continuously continues to grow with quality products that will serve your organisation as we maintain high stock levels to ensure you can get the supplies you need at your convenience.

Our friendly and knowledgeable team are here to help and are a call away from serving you.

Mission

To be the leading distributor and office stationery supplier in East Africa, while maintaining honesty, integrity and providing excellent customer service.

Vision

To be the leading stationery center of choice for office and school products across East Africa.

Core Values

Customer Service – the driver of our passion is customer service, and shall always go the extra mile to ensure customer satisfaction is at its very best.

Teamwork – we have a dedicated team to serve you, even beyond office hours and holidays to keep your office working.

Honesty and Integrity – we are bound to complete transparency to our clients, and believe trust is key in establishing strong business relationships.

Luxor is a global leader and trendsetter in the writing and coloring instrument space. An obsessive focus on quality, design and suitability ensures that every consumer has maximum writing comfort. The wide range of products caters to a variety of needs from students to working executives to artists. Luxor is among the world leading manufacturers of Writing Instruments.

A pioneer in Writing Instruments manufacturing; the industry major has re-invented Brand Luxor and brought world-famous brands like Parker, Pilot, and Waterman under the Group's umbrella to serve the Indian consumer market.

An Iconic brand in India's leading Premium fine Writing Brand, since its inception it has added many laurels to its credit, "Best Exporter Award" for twelve consecutive years, Selected Super brand India award, Parker trusted brand award are some of the awards bagged by Luxor. Today it is one of the largest companies in South Asia in the category of writing instruments.
